Race Manual

Dear Rider,

Thank you for entering the 2023 Chevin Cycles Otley Classic Race. Our team of volunteers has been working hard behind the scenes again this year to allow the great tradition of Otley Cycle Races to continue. Many thanks to your race's loyal, long term sponsor Chevin Cycles. Please show your support in return by shopping with them when you can. They have skilled, knowledgeable and friendly staff and now have stores in Otley, Harrogate and Skipton.

The race is run under the Technical Regulations of British Cycling.

This document contains useful and important information which will help your evening run smoothly and get the most out of your race.

The Race

Your race will take place on a closed circuit of approx 2km. The finishing straight is flat and the finish line is approximately 190m from the last corner. After the finish line the course jinks left and then right up Burras Lane. The first part is steep but momentum will carry you most of the way up this bit. The road then dips a little before climbing again on a wide road to the highest point as it crosses a bridge before turning left into Birdcage Walk. This road is undulating, has poor road surface and being under trees, has poor lighting. At the end of Birdcage Walk the course turns left for the plunge downhill back towards the town centre. At the bottom of the hill is a left hander into the finishing straight. This is a very fast finish to a race. There are manhole covers to negotiate on this corner so take extra care if it's wet.

The race will cover approx 31km in 15 laps. There will be a lap board by the finish line for the last 9 laps and a bell to signify the last lap.

Race Registry

Please report for race registry at Event Headquarters at Otley CC Clubrooms on Crow Lane, behind Chevin Cycles. See map below. Signing on will open at 16:30 and will close at 18:10 for your race. Toilets and limited changing facilities are available at HQ.

Junior riders will need to get their gears checked outside HQ and receive a sticker which they must then present when signing on. Juniors are allowed a maximum gear of 7.93 metres.

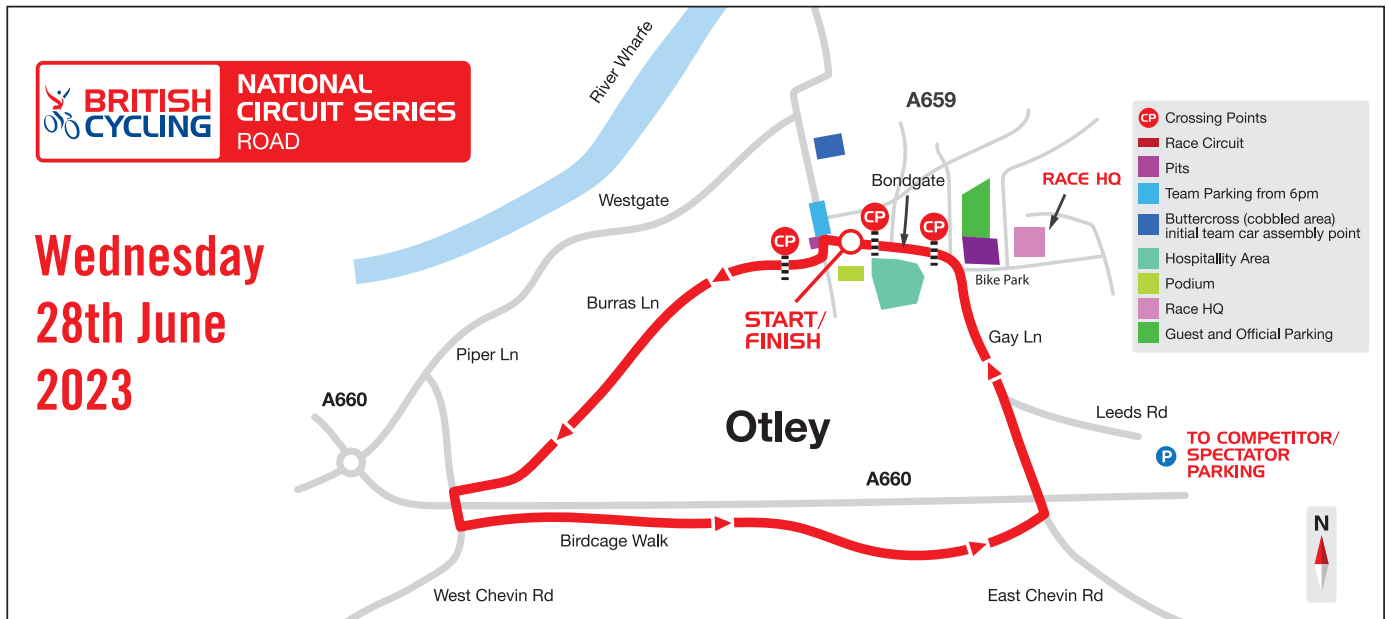

At this point you must also collect your race number and transponder. The race will be chip timed. Please affix the timing chip to your front fork. Please attach both numbers to the back of your jersey.

All riders will receive an Otley Cycle Races buff kindly provided by Chevin Cycles, Names on Frames and OTE.

You must return your transponder to HQ after your race and ensure receipt is acknowledged by one of our staff.

PLEASE NOTE: NON-RETURN OF YOUR TRANSPONDER WILL RESULT IN A £90 CHARGE.

Your race starts at 18:40

Rider Assembly

Please assemble at the end of Crossgate (next to the Rose & Crown Pub) 10 minutes before your start time. From here you will be escorted to the start line (down Bondgate), ready for the race to commence. On the line you will get final instructions from the race Commissaire.

Mechanical Issues

THERE ARE NO LAPS OUT. If you have a mechanical problem then you can receive service from the pits only. This will be on the right hand side of the circuit and at the end of the finishing straight (see map).

Lapped Riders

If you are lapped ie: passed by the lead motorbike – you should withdraw from the race immediately before you're caught by any riders. Leave the circuit via the pits during and after the Race.

After the Race

Once you have finished your race, you must leave the circuit as soon as possible in order to enable a smooth transition to the next race. Please leave the circuit via Waitrose car park, ride through the car park to Westgate then turn right back into Otley.

Results/Complaints

Any complaints regarding the race result must be made within 48 hours to Sonja Harper at the email address on page one.

Prize presentation

Prize presentation for your race is at 19:50 during the Women's Race. If you are 1st, 2nd or 3rd then you need to be available at the British Cycling Podium once the race has finished. It is best to access this from the side nearest the church. Any junior rider finishing in the top three should report directly to the race judges (adjacent to the BC podium truck) to have their gears rechecked.

All cash prizes (including any for podium places) will be transferred to you after the event.
