Race Manual

Dear Rider,

Thanks for entering the 2024 Santini Otley Women's Grand Prix. This race is only possible because of the support of it's sponsor Santini who make great cycling kit and I'm sure you know have a long standing tradition of supporting Women's cycling. One of their specialities is designing and producing kit for teams and clubs.

The race is run under the Technical Regulations of British Cycling.

This document contains useful and important information which will help your evening run smoothly and get the most out of your race.

The Race

All Otley Cycle races take place on a closed circuit. The circuit is approx 2km. The finishing straight is flat and the finish line is approximately 190m from the last corner. After the finish line the course jinks left and then right up Burras Lane. The first part is steep but momentum will carry you most of the way up this bit. The road then dips a little before climbing again on a wide well surfaced road to the highest point as it crosses a bridge before turning left into Birdcage Walk. This road is undulating with poor road surface and being under trees, has poor lighting. At the end of Birdcage Walk the course turns left for the plunge downhill back towards the town centre. At the bottom of the hill is a left hander into the finishing straight. This is a very fast finish to a race. There are manhole covers to negotiate on this corner so take extra care if it's wet.

The race will cover approx 31km. There will be a lap board by the finish line for the last 9 laps and a bell to signify the last lap.

Race Registry

Please report for race registry at Event Headquarters at Otley CC Clubrooms on Crow Lane, behind Chevin Cycles. See timetable below.

Toilets and limited changing facilities are available at HQ.

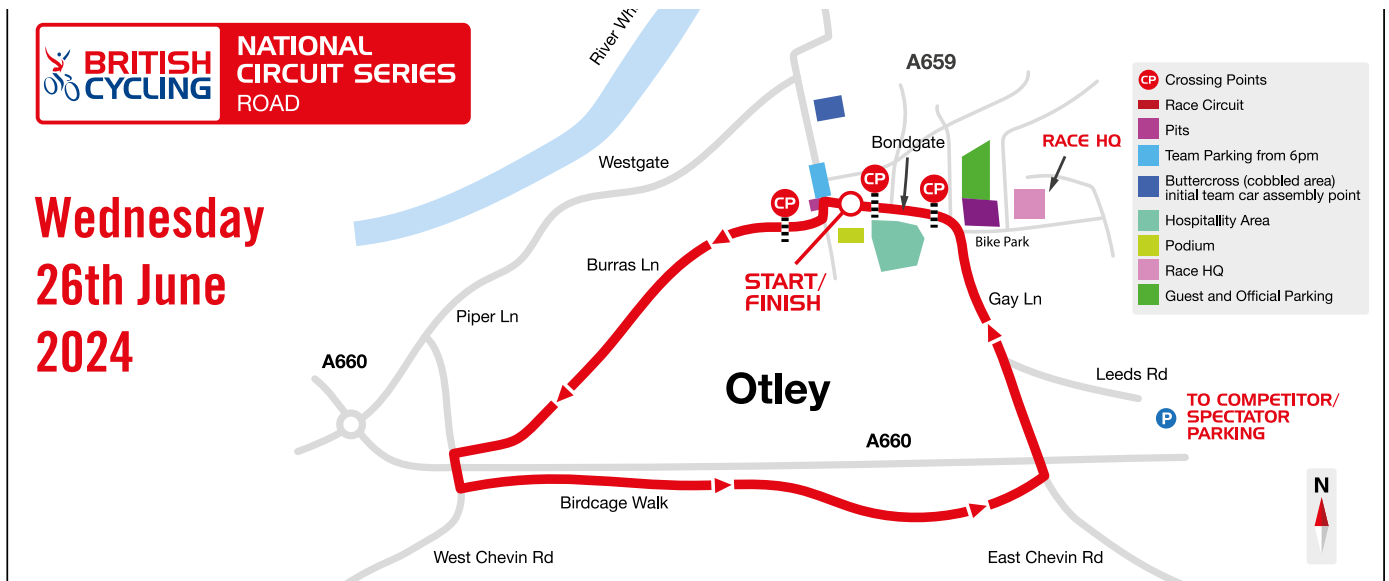

At this point you must also collect your race number, frame number and timing chip. The race will be chip timed. Please affix the timing chip to your front fork. Please attach both numbers to the back of your jersey and the frame number to your seat post.

All riders will receive an Otley Cycle Races bidon kindly provided by OTE, Chevin Cycles and Elite Physio.

You must return your transponder to HQ after your race and ensure receipt is acknowledged by one of our staff.

PLEASE NOTE: NON-RETURN OF YOUR TRANSPONDER WILL RESULT IN A £90 CHARGE.

Your race starts at 19.25

Rider Assembly

Please assemble at the end of Crossgate (next to the Rose & Crown Pub) 10 minutes before your start time. From here you will be escorted to the start line (down Bondgate), ready for the race to commence.

Rider Briefing

Riders will be briefed by the Chief Commissaire at the end of Crossgate 5 minutes before the start of each race - Please listen carefully.

Neutralised laps

In the case of an incident requiring the neutralisation of the race a PA announcement will be made or you will receive instructions from the commissaires. Riders must then form up on the start / finish line (or another point on the circuit deemed suitable by the organisation and / or commissaires) until the race can resume.

THERE WILL BE NO SIGHTING LAP.

Lapped Riders – National Circuit Series

In the event of rider(s) being lapped by the leading group, these lapped rider(s) will continue until three laps to go, where they will be withdrawn and placed in the results, after sprinting for position on the line. If you are lapped in the last 3 laps, you continue to the end of the race.

All riders when retiring from the race, whether individually or as a part of a group, must retire via the Pit Area and in no circumstances cross the finish line again, riders who insist on doing this will be disqualified (unless instructed differently).

Lapped riders must not impede the progress of the lapping riders, nor must they manipulate the outcome of the race. Riders found to be deliberately flouting this regulation will be penalised. A rider(s) will be considered lapped when the leading rider(s) make the junction with the rear of the group that they are within.

Blue Flag

In the final three laps of the race, if a rider/group of riders are likely to be caught by the race leader(s) they will be shown a blue flag by a race official to indicate that they are about to be lapped. If shown the blue flag, riders must keep tight to the left hand side of the circuit to allow the safe and clear passage of the leading riders. If you are lapped inside the final 3 laps, please complete the full distance, finishing on the same lap as the leading rider.

Mechanical Issues

THERE ARE NO LAPS OUT. If you have a mechanical problem then you can receive service from the pits only. This will be on the right hand side of the circuit and at the end of the finishing straight (see map).

National Circuit Series Race Gridding

Riders will be gridded based on Series Regulations as follows:

- i. Current National Circuit Race Champion
- ii. The previous winner of the event

After the Race

Once you have finished your race, you must leave the circuit as soon as possible in order to enable a smooth transition to the next race. Please leave the circuit via Waitrose car park, ride through the car park to Westgate then turn right back into Otley.
